

TrustMark Declarations – Please Read Carefully

By proceeding, you acknowledge that you are aware of and comply with the following requirements:

- The Health & Safety at Work etc. Act 1974.
- The Waste Regulations, including the carriage, storage, and disposal of waste.
- The current legislation for the protection of protected species (e.g., bats, newts, native plants).
- The use of appropriate CE marking, and the provision of instruction manuals, maintenance requirements, and warranties to the consumer.
- TrustMark Scheme requirements, including the Code of Conduct, Customer Charter, and Annex A.
